

## Håndbog for elever i 2z om studierejsten til Vancouver 11. til 25.marts 2006

Nedenfor er opstillet nogle strøttanker og praktiske informationer i forbindelse med vores tur til Canada. Materialet her bør opfattes som det, det er: en venlig henstilling til gensidig forpligtelse og nogle vejledninger – så vi får en fagligt udbytterig og hyggelig, social studierejse.

### Afrejse:

Der er bestilt gruppe-check-in til kl. 6.00 lørdag den 11. marts. Den foregår i terminal 2, nede i den ende af terminal 2, der vender op imod terminal 3. Over skranken vil der være et skilt med *Nørre Gymnasium* på.

<b>Lørdag 11/3</b>	<b>6.00</b> <b>7.15</b> <b>9.05</b> <b>11.10</b> <b>13.55</b> <b>16.00</b> <b>18.07</b>	<b>check-in i terminal 2 (vær venlig – også her - at møde til tiden)</b> <b>Med SK 639 til Frankfurt</b> <b>Ankomst Frankfurt</b> <b>Afgang m. ### Mad under rejsen:

Husk evt. en madpakke, da vi ikke kan regne med, at der serveres morgenmad på flyet til Frankfurt. På strækningen Frankfurt-Toronto vil der blive serveret mad og drikke.

Jeg er lidt usikker på om vi får lov at tage en ekstra madpakke med til strækningen Toronto-Vancouver. Her bliver mulighed for at købe noget ombord (se menukortet i Fronter). I forbindelse med toldeftersyn i Toronto går der normalt uniformerede lufthavnsfunktionærer rundt med hunde, der kan spore om I har frugt eller andre fødevarer med i bagagen. Det bliver normalt så konfiskeret. Dette vil desværre nok forhindre at I kan have en madpakke med, smurt i Danmark (se nedenfor under ” *Controlled, restricted, and prohibited goods* ”..

### Controlled, restricted, and prohibited goods

We help other government departments control the importation of goods such as firearms, ammunition, fireworks, meat and dairy products, animals, plants and plant products, firewood, fresh fruits and vegetables, and certain food and drug products.

Mace or pepper spray when designed to be used for the purpose of injuring, immobilizing or otherwise incapacitating any person are considered prohibited weapons and are therefore, prohibited from entry into Canada.

Aerosol or similar dispensers that contain substances capable of repelling or subduing animals are not considered a weapon if the label of the container indicates specifically that it is for use against animals.

Plants

Plants are potential carriers of insects and disease. For this reason, customs officers help the Canadian Food Inspection Agency (CFIA) control their entry into Canada, as well as, control the imports of earth, soil, sand, or other related matter in which they are planted or packed.

#### Firearms

Canada's firearms laws make the country safer for both residents and visitors. We suggest you contact one of our customs offices or a chief firearms officer for information before you attempt to import a firearm.

#### Gifts

You can import gifts for friends in Canada duty free and tax free, as long as each gift is valued at CAN\$60 or less. If the gift is worth more than CAN\$60, you will have to pay duties and taxes on the excess amount. You cannot claim alcoholic beverages, tobacco products, or advertising matter as gifts.

#### Tax rebates for visitors

When you leave, you may be eligible for a tax refund on the goods you bought in Canada if you export them within 60 days. For more information, get a copy of the pamphlet called *Tax Refund for Visitors to Canada* (RC4031) or call 1-800-66VISIT (1-800-668-4748).

#### **Husk på under rejsen:**

I et fly hvor pladsen er trang, gælder det om at holde blodcirkulationen i gang. Dette gør du bedst ved at

- bære løsthængende tøj, løsne bæltter, sko etc
- gå en tur op og ned ad mellemgangen for at holde kroppen i gang
- drikke meget væske, helst vand og sodavand
- undgå at lægge benene overkors, så du har fri blodcirkulation
- bevæge arme og ben af og til, mens du sidder i sædet

#### **Alcohol:**

If you meet the age requirements of the province or territory where you enter Canada, you are allowed to bring in, free of duty and taxes, either 1.5 litres of wine, **or** 1.14 litres (40 ounces) of liquor, **or** 24 x 355 millilitres (12 ounces) cans or bottles (8.5 litres) of beer or ale.

I Canada er det ikke tilladt at købe el. indtage alkohol, hvis man er under 19 år. Det gælder såvel ude i byen som indenfor på YWCA.

#### **Almindelig adfærd:**

Som gruppe repræsenterer vi Danmark og danskere - hvis image ikke har det for godt i øjeblikket. Det er dog ikke noget problem, hvor vi kommer hen – det kan det imidlertid blive: der forudsættes almindelig sømmelig optræden både uden for YWCA og på de enkelte værelser. Hensynet til andre

mennesker går forud for at føre sig selv frem. Når vi er på ekskursion er det – selvsagt - en pligt at vi holder tæt sammen, at vi lytter efter de anvisninger og forklaringer, der bliver givet.

*Gruppeformanden* holder øje med sin gruppe – især i forbindelse med ud- og hjemrejse, at vi får alle med; principielt holder vi ikke mandtal i tide og utide. Vær derfor opmærksom på, hvor gruppen bevæger sig hen – opvaktet er ikke af vejen.

Af hensyn til programafviklingen overholdes selvfølgelig mødetidspunkter. (se under *fravær*). Om påklædning: på mere officielle besøg o.lign. bør man lige overveje, hvordan ens ydre fremtoner.

### **Bagage:**

Under rejsen holder alle ekstra øje med vores egen og holdets bagage. Efterlad intet af værdi og regn ikke med, at bagage – herunder de bærbare computere - i et ubevogtet øjeblik stadig står der. Bagagens vægt: 2 x 23 kg og håndbagage: 8 kg. Det er vigtigt at ingen af kufferterne el. taskerne vejer mere end 23 kg.

### **Bytur** – på egen hånd:

Der er naturligvis rigelig lejlighed til at udforske byen på egen hånd; men man bør alligevel være mindst to sammen – husk at have adressen på YWCA og alm. identifikation (fx pas, studiekort og rejseforsikringskortet) på jer.

### **Computere og pda'er:**

Vær ekstra agtpågivende, når det gælder værdigenstande – herunder computere og pda'erne – og så er det ligegyldigt, om det er skolens el. de private pc'ere

### **Dagbog:**

Hver af de syv grupper er ansvarlig for at føre dagbog to dage på turen (se nedenfor). Dagbogen skal ikke indeholde ligegyldigheder om fx daglige rutiner. Det er det specifikke for netop den dag og I skal formidle vores fælles oplevelser til en læser, der gerne vil vide noget om, hvad vi laver i Canada. Det er en god ide, at underbygge denne tekst med et aktuelt billede el. to.

Dagbogen skal – i samråd med Jesper – være ført, så han kan uploade den hver aften. Den vil så komme via et link på skolens hjemmeside og interesserede – fx jeres forældre og venner – kan følge med i forløbet:

Her oversigten:

*gruppeformanden* er ansvarlig for at gruppen udfører og afleverer det færdige arbejde til Jesper på det aftalte tidspunkt.

### **Drikkepenge** – tipping:

Tipping is very much a part of Canadian lifestyle. You are expected to give at least 10-20% of your total bill to any staff who served you in a restaurant. (However, if service was not up to your standard, you should not pay tip.)

Many cafeteria and fast food outlet have a jar of tips for you to put your spare change in it. While it is only courtesy to pay tips when you are dining in a restaurant, you do not have to pay tips to fast food outlets.

Like anywhere else in the world, you should pay a tip to any of the porters who come to take your bags when you check into a hotel. Housekeepers, taxi drivers and some hair stylists will expect tips from you.

## Electrical Appliances:

from [WorldWeb Travel Guide](#)

**Volts:** Canada, and all of North America, operates on 110 volts (60-cycle electrical power).

**Sockets:** Most Canadian sockets can accommodate both North American-style two- or three-pronged plugs. However, when traveling from outside of Canada or the United States it is advisable to bring a plug adapter, especially if you are wishing to use your own small appliances, such as razors, hairdryers, etc.

Some North American two-pronged sockets cater to plugs with one small and one large prong. This is a safety feature on newer sockets, maintaining electrical polarity and lessening the chances of electrical shock.

Vær derfor opmærksom på at der skal bruges en konverter til strømforsyning til pc'er, pda'er, kameraer osv.

## Faglige underspørgsmål

Med udgangspunkt i

- den udleverede tekst: s. 316-340 i "Our land: Building the west" af Bowers, Vivian m.fl. 1987, Gage Educational Publishing Company, Toronto/Ontario.
- materiale i Fronter i mappen 2z ge – Arkiv – Canada – Skovindustri

Om opgavens omfang og bedømmelse:

Opgaven løses i grupper. Beskrivelsen har et omfang af max. 1 A4 side, analysen max. 3 A4 sider, opsamlingen max. ½ A4 side. Der gives en samlet karakter for opgaven.

I bedømmelsen lægges der særligt vægt på:

- evnen til at strukturere stoffet i analysedelen i overordnede delemner
- evnen til at inddrage egne interview/erfaringer fra Canada i analysen

## Historie:

**Obligatorisk læsestof, der figurerer på pensumopgivelsen i historie.**

Håkan Berggren *De forenede Staters historie* (Hasselbalch, Kbh. 1966) pp. 138-157, 167-168.

Niels Bjerre-Poulsen *USA historie og identitet* (Gad, Kbh. 2000) pp. 8-32.

J. A. Lower *Canada. An outline history* (Ryerson, Toronto 1966) pp. 47-60.

Det er tilladt at inddrage yderligere materiale.

## Opgaver

1. Englands kolonier i Nordamerika. Redegør for koloniernes historie fra Syvårskrigen ophør til de amerikanske koloniers uafhængighed 1783.
2. Nationale stereotyper. Lav en undersøgelse i klassen af jeres egen, jeres forældres og bedsteforældres opfattelse af USA og amerikanere. Foretag under studieopholdet i Canada den samme undersøgelse, med en række canadiere.
3. Sammenhold de indsamlede synspunkter og udsagn om en amerikansk ("USA'sk") nationalkarakter med oplysningerne i *USA historie og identitet*.
4. Diskuter sammenfald, afvigelser og eventuelle forskelle mellem generationer og nationer.

## Tysk:

Underspørgsmål til de enkelte grupper:

Med udgangspunkt i Paul og Eva Huber *Steiniger Weg in die Neue Welt*, Gertrud Waseems lille bog *Germans* og de informationer og artikler, der ligger i Fronter i mappen *Kanada und Deutsch* samt andre informationskilder, som gruppen selv har fundet, ønskes:

- En skildring af og bevæggrunde til – i historisk perspektiv og i bredeste forstand – at familier fra det tysksprogede område kunne finde på at emigrere til Canada.
- En fremstilling af en enkelt – selvvalgt - families baggrund for at flytte til Canada <sup>1</sup>
- Besvarelsen skal være på dansk, men der ønskes endvidere udarbejdelse af et kort resume af både 1. og 2.spørgsmål på tysk. Dette tyske resume skal have et omfang på ca. en A4-side.

I bedømmelsen lægges vægt på en selvstændig, selvformuleret og læsevenlig fremstilling. Herunder forstås en bred fremstilling af immigranterne og deres baggrund, en grundig og kritisk analyse samt en perspektivering. Endelig lægges der også i bedømmelsen vægt på illustrationer, som på en central måde underbygger den skriftlige fremstilling.

**Fravær:** rejsen er omlagt undervisning og skolens alm.regler for fravær gælder altså også her

---

<sup>1</sup> I bogen *Germans* er der er fint udvalg fra side 37 til 76. de enkelte grupper vælger - naturligvis – hver sin familie.

**Go25-kortet** – husk at putte et pasbillede ind i kortet.

## 1. Grupperne i projektet *Canada Profiles*

Overordnede engelskopgaver + gruppeinddeling. Det understregede navn = gruppens tovholder.

(Numrene i parentes svarer til tekstnummer i antologien ”Canada Profile”.)

- en sammenligning af forholdene i dag i forhold til synspunkter, der kommer til udtryk i lærebogen ”Canada Profile” ved at lave research i landet af temaerne:

1. How did so many cultures become neighbours? How did Canada become united into one nation? How did the US? Is Canada a unity today? (1,3,5,6,7,8,19,20)

Gruppe 1: [Umut](#), Haseeb, Thomas, Awais

2. Explore the francophone-anglophone character of Canada. Why did Quebec want to become independent? Discuss the consequences for Quebec, and for Canada, if Quebec left the federation. How is the situation today? Does the US have a similar situation? (1,2,3,6,7,19,20)

Gruppe 2: [Sofie](#), Siri, Daniella, Kevin

3. Find reasons why the Anglophone and the francophone communities have clashed. Consider Canadian history, the political situation, the original immigration, social differences, and religious differences. Compare the original immigration in Canada with the original immigration to the US. (1,6,7,19)

Gruppe 3: Jon, Mia, [Nils](#), August

4. Why does Canada have problems in determining its own identity? Consider climatic conditions, natural resources, political issues, media impact, language situation, and immigration. Does the US meet the same “problems concerning identity”? (1,2,3,4,6,7,8,9,19,20,22)

Gruppe 4: [Bjarke](#), Jonas, Malthe

5. Is there a relation between the geography of Canada/US and the historical development the counties have taken? Compare the major developments in Canadian and US history. Do you find differences, which could be of importance in constituting a Canadian identity? 1,2,5,6,7,8,10,11,22)

Gruppe 5: [Mikkel](#), Morten, Nicklas, Chr. Kofoed

6. The multi-cultural society, Utopia or Reality? Consider the question of identity, the two cultures in Canada, minorities (**with special focus on Indians, Inuit**), the past and present. Look into the phases of settlement and try to trace the reasons for the colliding interests between European cultures and the existing cultures of the native peoples. Find examples to show how the “immigrated” cultures have affected the indigenous cultures. (1,2,5,6,7,8,9,18,19,20)

Gruppe 6: [Jacqueline](#), Anne Louise, Katrine

7. The multi-cultural society, Utopia or Reality? Consider the question of identity, the two “official” cultures with their background in “The Founding Fathers” in Canada, minorities (**with special focus on immigrants**), the past and present. Look into the phases of settlement and try to trace the reasons for the colliding interests between European cultures and the existing cultures of the native peoples. Find examples to show how the “immigrated” cultures have adapted to the existing cultures or found ways to keep up their own traditions or life styles. 1,2,5,6,7,8,9,18,19,20)

Gruppe 7: [Signe](#), Kirstine, Christian E., Matthias

## GST and PST

When you visit Vancouver (and the rest of Canada) you will notice that you will have to pay taxes on most things that you buy. That goes from food to drinks to clothing and everything else. There is a 7% Goods and Service tax (GST) on most items and there is also a 7% Provincial Sales Tax (PST) on some items. So, when you see a price on something in the store, don't forget that they will add GST and PST to it and that will be your total cost. A good thing to know if you are not familiar with that.

## Indrejse:

Upon entering Canadian soil, there are a few things you will need to be aware of. Before your plane lands, you will be asked to fill out a custom sheet along with your passport details and where you intend to be staying. You should **DECLARE** any foodstuff and anything other than your clothes and personal items. If you get caught trying to smuggle anything in, the consequences are serious and you may be asked to pay fines.

## Klima/tøj:

**Winter** - Vancouver has mild winters with gray skies and substantial rainfall from November to January. The average temperature in January is 3° C, and feels colder if you're wet. Although the city is surrounded by mountains, it rarely snows.

Average annual precipitation: 1,219 mm Vancouver, Canada:

### Seasonal Clothing: What to wear

**Spring (March to May):** Pants, jeans, long-sleeve shirts, t-shirts, light water-resistant jacket and hat. Be prepared with an umbrella or light water-resistant jacket for possible light showers.

**Post:**

**Postal rates** These rates are effective January 12, 2005.

These rates do not include GST. You do not have to pay GST on your international letters, if you drop off the letters at a post office and buy the stamps there (subject to a \$5 minimum). This is because most of the service is delivered outside Canada.

**Rejseforsikringen:**

Rejseforsikringskortet skal underskrives. Hav det altid med i pungen.

**Trafik:**

Right turns are allowed at red lights but only if you come to a complete stop first and then look out for cars and pedestrians before you turn. The speed limit is 50km/h unless you are on a highway.

Watch out for school and playground zones where the speed limit drops to 30km/h.

Vancouver has a four-way stop sign. If you arrive at one, always give way to the cars that arrive first. If both cars arrive at the same time, you must give way to the car coming on your right.

Remember that pedestrians always have right of way.

**Lektielæsning:**

Der er afsat en rum tid hver dag til lektiælæsning: projektarbejde, arbejdsopgaver hjemmefra og dagbog. Tidspunktet for lektiælæsning varierer alt efter, hvilke aktiviteter programmet byder på den pågældende dag. Formentlig vil lektiælæsningen finde sted i et centralt lokale på YWCA

**Mad:**

### **Om at lave mad på YWCA:**

There are three kitchens on three of the floors for all guests to share.

Dish sets can be rented at the front desk for \$2.50/day as there aren't any utensils in the kitchens.

However, there is a kettle, toaster, stove, etc in each. Each room has a mini fridge in it.

(Måske skulle vi tage en kniv, en gaffel og en ske + en (dyb?) tallerken med samt et krus at drikke af. Så ville de jo kunne købe noget ind og selv klare fx morgenmad)

YWCA henviser til følgende restauranter i nærheden af hotellet:

#### **Ricky's (one block away).**

The prices are reasonable and there is variety of food.

For groups you would need to make reservations. Their telephone number is 604-602-9233.

**Whitespot** (5 blocks up the street from us).

Their telephone number is 604-662-3066.

#### **"The Kolachy shop".**

(A kolachy is a bun with filling ie ham & egg inside. They are inexpensive and filling.)

You could place an order the night before and pick it up in the morning.

They might deliver as well. They are only 2 blocks away.

**Opkobling:** I skrivende stund arbejder Jesper Laugesen på sagen

**Penge:** (se valuta)

### **Canada – Customs information:**

#### **Personal baggage and entitlements**

As a visitor, you can bring certain goods into Canada for your own use as "personal baggage."

Personal baggage includes clothing, camping and sports equipment, cameras, tape recorders and even personal computers. It also includes vehicles, vessels and aircrafts.

First and foremost, as required by law, all goods must be declared at the time of your initial contact with Customs. Customs does conduct import/export examinations. For the most part, these are routine in nature, and serve to verify declarations. If you declare these goods when you arrive and take them back with you when you leave, you will not have to pay any duties or taxes. These goods cannot be used by a resident of Canada or on behalf of a business based in Canada.

Although rare, the customs officer may ask you to leave a security deposit for your goods, which will be refunded to you after you show that the goods were exported from Canada. If this happens, Form E29B, *Temporary Admission Permit*, is issued when you arrive. When you leave Canada, you have to present your goods and the E29B permit to Canada Customs. You will be given a receipt copy of the form and the security deposit will be refunded to you by mail.
